Es kann keine Hierarchie der Diskriminierung geben. There is no hierarchy of oppression. Die Unterdrckung kennt keine Hierarchie. So let's look at how China is re-establishing that hierarchy in the far East. Lassen Sie uns einmal untersuchen wie China diese Hierarchie in Fernen Osten verndert. In our view, a social Europe should be the priority. Fr uns steht das soziale Europa an der Spitze der Hierarchie. Today, we are discussing the Bourlanges report that officially addresses the hierarchy of acts. Heute behandeln wir den Bericht Bourlanges, in dem es offiziell um die Hierarchie der Normen geht. Only the latter hypothesis is coherent with the hierarchy of the institutions. Nur die zweite Annahme entspricht der Hierarchie der Institutionen. Die Funktionalitt wird von Ihrem Browser leider nicht untersttzt Sagen Sie uns Ihre Meinung! Wie gefllt Ihnen das Online Wrterbuch? Vielen Dank fr Ihr Feedback! Every organization has a hierarchy, and trying to understand that, and the systems and processes of the organization, is important.corporate/management/organizational/political, etc. hierarchy Many kinds of work are more easily and cheaply managed in corporate hierarchies than by individuals doing deals in the market.
